

Unit 2 CIRCULATING

Name/Surname

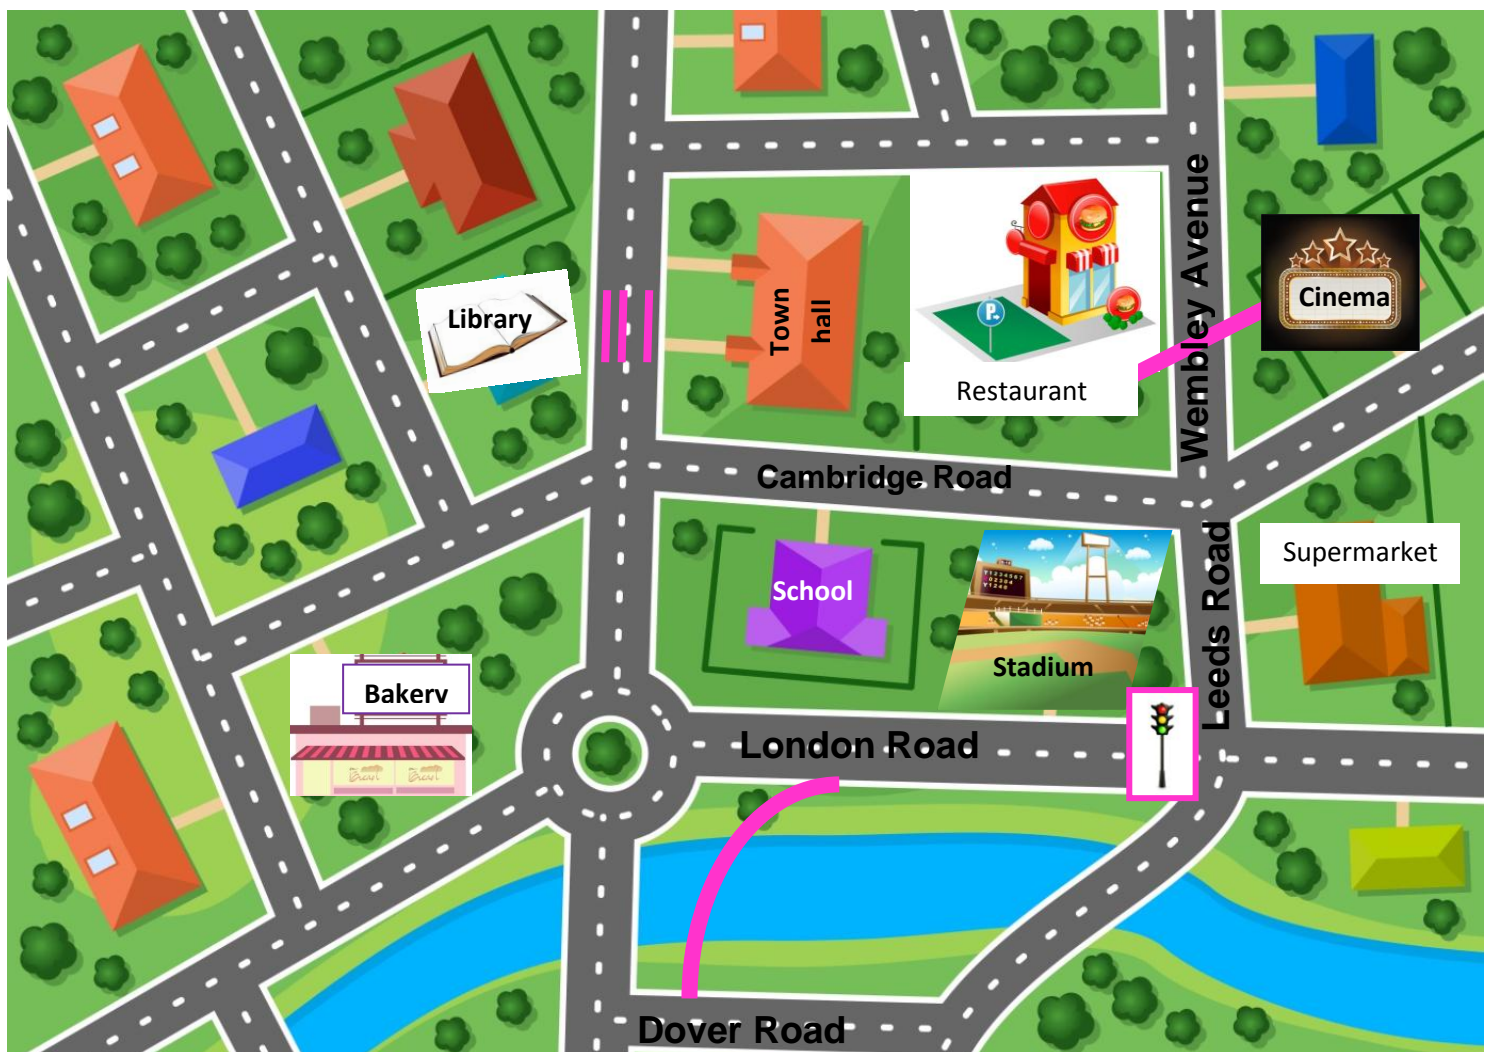

Date:

Class:

ACTIVITY 1

■ Suivez les indications et dessinez les nouveaux aménagements décidés pour ce quartier.

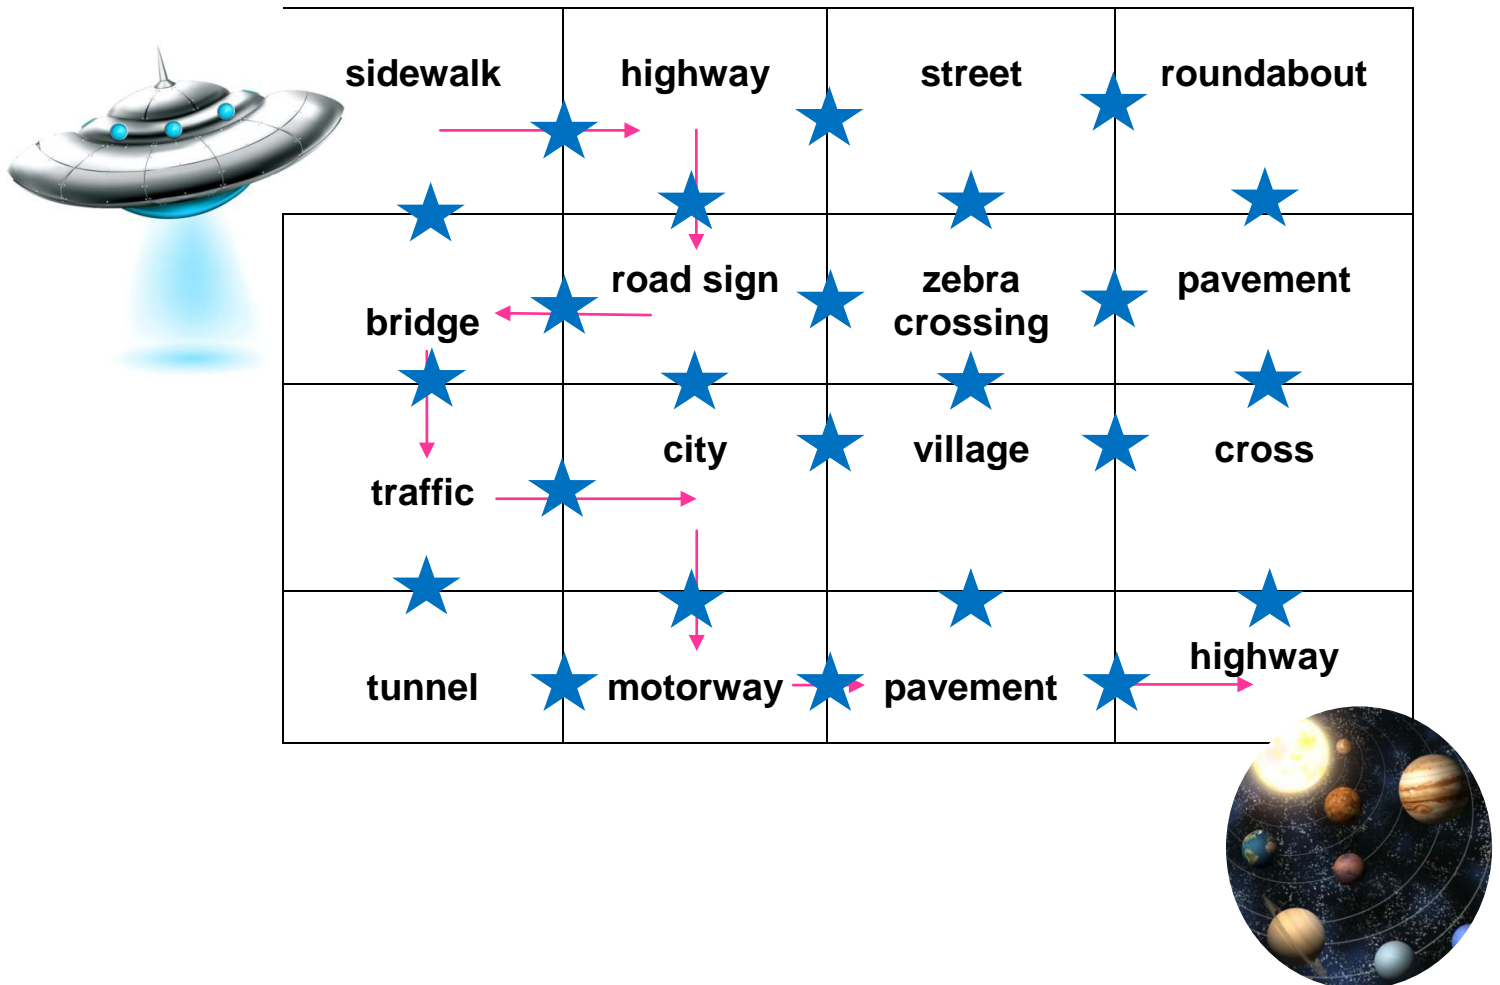

- There will be a bridge behind the school linking London Road and Dover Road.
- There will be traffic lights at the junction of London Road and Leeds Road.
- There will be a pedestrian crossing between the town hall and the library.
- Wembley Avenue is very dangerous so an underground tunnel will be built linking the cinema and the restaurant.

ACTIVITY 2

■ Suivez les étoiles pour parvenir jusqu'à votre galaxie. Pour cela, vous devez passer par :

- 3 mots contenant le son [ai] ;
- 3 mots contenant le son [i] ;
- 3 mots contenant le son [ei].

sidewalk	highway	street	roundabout
bridge	road sign	zebra crossing	pavement
traffic	city	village	cross
tunnel	motorway	pavement	highway

The grid contains a path of stars connected by pink arrows. The path starts at the star in the top row, second column (between 'sidewalk' and 'highway'), moves right to the star in the top row, third column (between 'highway' and 'street'), then down to the star in the second row, second column (between 'bridge' and 'road sign'), then left to the star in the second row, first column (between 'sidewalk' and 'bridge'), then down to the star in the third row, first column (between 'bridge' and 'traffic'), then right to the star in the third row, second column (between 'traffic' and 'city'), then down to the star in the fourth row, second column (between 'city' and 'motorway'), then right to the star in the fourth row, third column (between 'motorway' and 'pavement'), and finally right to the star in the fourth row, fourth column (between 'pavement' and 'highway').
